EDUCATION

Bachelor of Architecture (B.Arch) Aug. 2022 - May 2027
Pratt Institute - Brooklyn, New York

SOFTWARE

- Rhino, Revit, Enscape
- Adobe Photoshop, Illustrator, InDesign, After Effects
- Microsoft Word, Excel, PowerPoint

EXPERIENCE

Summer Intern Jun. 2026 - Aug. 2026
Adam Elstein - Brooklyn, NY
Produced a comprehensive portfolio documenting teaching work for tenure review, coordinating drawings, imagery, and project documentation. Assisted with architectural visualization and photography shoots, including building custom rigs for photographic and creative projects. Developed AI workflows for architectural visualization and design processes.

Teaching Assistant Aug. 2025 - Present
Pratt Institute - Brooklyn, NY
Provided support and guidance to Representation I and Technics students, assisting with analog and digital drawings, model making, narrative development, and providing general constructive feedback. Developed skills providing actionable guidance and adapting feedback to students at varying levels of technical proficiency.

Crew Member, Assistant Manager Feb. 2022 - Aug. 2024
Autobell Car Wash - Durham, NC
Performed hands-on vehicle washing and site operations while serving as the first point of contact for customers, advising them on service options and successfully converting sales through clear communication and product knowledge. Developed strong interpersonal skills by balancing efficiency, accuracy, and customer satisfaction in a fast-paced, public-facing environment.

INVOLVEMENT

Writer, Editor
Pratt Futures - Brooklyn, NY
Researched, wrote, and edited articles for Pratt Futures, a student-led, social justice-oriented publication at Pratt Institute, with current work focused on local preservation activity and advocacy. Developed strong research, analytical writing, and editorial skills through independent investigation, source evaluation, and collaborative review.

Volunteer
Paul Rudolph Institute for Modern Architecture - New York, NY
Volunteered at the Paul Rudolph Institute for Modern Architecture, assisting with the care and stewardship of the landmarked building and the preparation of the gallery space for exhibitions. Worked closely with the head curator to prepare exhibition spaces, gaining hands-on experience in exhibition setup, spatial coordination, and curatorial workflows.
